- Graphic Designers
- Engineering Tutor/Trainer/Lecturers
- Curriculum Developers

We Also Support On

- IT & Technology Training
- Apprenticeships & Skills
- Senior & Executive
- Hire, Train & Deploy
- Employability

Candidate Reviews

Jordan at FIND has been exceptional throughout the whole process and made my job hunt very smooth. Jordan invested his time by having an in-depth look at my CV and portfolio to ensure any relevant opportunities were aligned with what I really wanted.

Overall, my experience with Jordan and FIND has been excellent and would recommend them 1000% to anyone who is looking to get their next role in L&D. A big thank you to Jordan and FIND.

Fantastic care taken by Jordan, really managing the process of my selection and transition to my new role.

Great communication and updates throughout, Jordan sent me timely feedback and sped up the process by proactively engaging with the prospective employer and myself & really helped make sure I was set up for success in the process.
